

High Pressure SCREW COMPRESSOR

PDSK1200S

**HIGH PRESSURE:355PSIG
FAD:1,200CFM**

● HIGHLY RECOGNIZED SCREW COMPRESSOR

Screw rotor profile developed by AIRMAN own technology(patented in eight countries as well as in Japan) has enabled us to make such high pressure screw compressor.

● CLEAN ENGINE MOUNTED

On the compressor is mounted such engine which emits less NOx exhaust gas and also is tender to the earth environment.
